Veteran Founded, Veteran Friendly

Our commitment to service is at the heart of everything we do. We are shaped by our founder, a former officer and pilot in the United States Air Force. So, you bet we've got a huge respect for veterans. By creating a welcoming space and offering meaningful opportunities, we've proudly placed over 17,000 veterans in roles where they can thrive.

Involvement in organizations and veteran job fairs helps us connect with our nation's service men and women. Supporting them through finding new job opportunities is our way of saying "thank you" in the most impactful way. **Enriching our community and strengthening our team, one veteran at a time.**

Staffing is in our DNA

For over 20 years, we've been identifying candidates with the right skills that align with company culture for doctor's offices, hospitals, and clinics. This has earned us the Best of Staffing Award for 9 consecutive years, confirming our team's dedication to being the best in the healthcare staffing industry.

Our commitment to excellence extends to our team's professional development. By supporting continuous learning and building a team of Certified Health Care Staffing Professionals, Team1Medical guarantees our clients top-notch service, backed by extensive recruitment knowledge.

This dedication to professional growth makes us unique, as we do more than just match skills with jobs.
